27 sculptors from each of the 27 countries of the EU have produced, specifically for this event, a 2 m high "warrior" directly inspired by the famous Emperor Qin's Warriors Terracottas. These 27 sculptures, joined by three sculptures from Chinese artists, are being exhibited in 8 Public Museums in China in 2012. This touring exhibition will come to Europe at the end of 2012 and 2013 where it will be shown in, at least, 8 countries/cities. Each opening is the opportunity to develop cultural exchanges between Europe and China.
